Feeding instructions (own food or not, how much, how often, canned versus dry): _____

Other (include detailed medication directions (type, amount, frequency), prior medical conditions, and anything you wish the doctor to check for): _____

FOR YOUR PET'S HEALTH

1. Our vaccination policy: To insure the protection of all pets under our care, the following vaccinations must be current. You must supply proof of current vaccines if they were given at another facility. If no proof is available, we will update the appropriate vaccines.

Dogs: DHLPP (Distemper) Bordetella (Kennel Cough) Rabies	Ferrets: Distemper Rabies	Cats: FDVCR (Distemper) Rabies
---	-------------------------------------	--

I give my permission for the staff of Weare Animal Hospital to examine and update my pet(s) vaccinations in accordance to the above policy.

2. Our flea policy: To keep fleas from being in our kennel, all pets are checked for fleas. If your pet(s) has fleas, they will receive a flea bath and a dose of Frontline Plus at the beginning of their stay. You will be charged accordingly. We do our best to eliminate flea problems, but you can virtually eliminate the risk of fleas and ticks by using Frontline Plus before or on the first day of your pet's boarding.

3. Our medical illness policy: One of the advantages of boarding your pets at an animal hospital is that veterinary attention is readily available should the need arise. If one of your pets becomes ill, we will call the emergency number(s) listed above regarding your pet's symptoms, treatment options, and estimate of additional costs. If no one can be reached, however, we will perform whatever medical or surgical treatment is needed for your pet. You will be charged accordingly.

4. Our medication policy: There is an additional \$4.00 - \$10.00 per day per pet for the administration of medication. Please list the medications, dosage and frequency above in the 'Other' section.

5. Our late policy: Pets that are not picked up at the specified date and time will be charged a late or overdue fee.

6. Holiday surcharge: Due to increased costs of staffing, we do charge a surcharge for Holiday Boarding.

7. Staffing: We do not have personnel on the premises 24 hours a day, 7 days a week.

I, the owner or authorized agent, will pick up my pet(s) and pay any and all charges (including unexpected charges that may occur in accordance to the policies above) incurred for this visit. Weare Animal Hospital retains the right to hold my pet(s) until all charges are paid in full.

If my pet(s) boarding schedule changes, I will notify Weare Animal Hospital immediately.
